

"My Face"

Is my fortune said the pretty maid of the ballad. It is a matter of history that beauty has been the only dower of many a woman whose name has become historic. But, on the other hand, how many a woman of large heart and noble mind has been compelled to say "My face is my misfortune." There can be few greater misfortunes that can befall a woman than to have her face marred by pimples or other eruptions. The cause of these blemishes is found in an impure condition of the blood. To make the skin clear the blood must be made pure. Dr. Pierce's Golden Medical Discovery purifies the blood and entirely eliminates the elements which corrupt it. It cures scrofula, eczema, pimply eruptions, brown spots, boils, erysipelas and other disfiguring diseases which are caused by the impure condition of the blood.

"For about one year and a half my face was very badly broken out," writes Miss Carrie Adams, of 116 West Main Street, Battle Creek, Mich. "I spent a great deal of money with doctors and for different kinds of medicine, but received no benefit. At last I read one of your advertisements in a paper, and obtained a bottle of Dr. Pierce's Golden Medical Discovery. Before I had taken one bottle of this medicine I noticed a change, and after taking three bottles I was entirely cured. I can well recommend Dr. Pierce's Golden Medical Discovery to any one similarly afflicted."

"Three times I have cured myself of erysipelas," writes Mrs. Lolita Mitchell, of 1824 Adeline Street, Oakland, Alameda Co., Calif., "by using your 'Golden Medical Discovery' after I had been under the doctor's care and found no relief."

The sole motive for substitution is to permit the dealer to make the little more profit paid by the sale of less meritorious medicines. He gains; you lose. Therefore accept no substitute for "Golden Medical Discovery."

Dr. Pierce's Pleasant Pellets invigorate stomach, liver and bowels.

Danger of Colds and Grippe.

The greatest danger from colds and grip is their resulting in pneumonia. If reasonable care is used, however, and Chamberlain's Cough Remedy taken, all danger will be avoided. Among the tens of thousands who have used this remedy for these diseases we have yet to learn of a single case which shows conclusively that it is a certain preventive of that dangerous disease. It will cure a cold or an attack of the grip in less time than any other treatment. It is pleasant and safe to take. For sale by all druggists. 1 May
